MY COFFIN

SWITCHFOOT

Tabbed by:hurricaneherman
Tuning:Standard

~INTRO~

A E X[4]

~VERSE~

A E A E
Dear blue sky are you afraid to die
A E A E
Do you fear you ll never see the morning
A E A E
And the twilight comes and you lose your son
A E A E
Does it come to you without a warning

~CHORUS~

C#m E A B
When the pain will stop how will I know
C#m E A G#m
When the carbon bonds that hold me start to let go
C#m E A B
Is there someone buried beneath this skin
C#m E A B
And is he free when I m lost in my coffin

~INTERLUDE~

A E X[4]

~VERSE~

A E A E
Dear moonlight when you shine at night
A E A E
Do you fear you ll use up your resources
A E A E
With the sun as king do you feel for it s string
A E A E
When the higher powers run their courses

~CHORUS~

C#m **E** **A** **B**
When the rain falls down what brings it back
C#m **E** **A** **G#m**
Opens the resurrected clouds from white to black
C#m **E** **A** **B**
It s a second birth under this skin
C#m **E** **A** **B**
My coffin my coffin

~BRIDGE~

B **A** X[4]

~CHORUS~

C#m **E** **A** **B**
Resurrection comes but death comes first
C#m **E** **A** **G#m**
All of our entitlements and rights will drive the hearse
C#m **E** **A** **B**
I m bleeding death death is unmade
C#m **E** **A** **B**
The minute I lose myself I m saved from my coffin

~OUTRO~

A **E** X[4]
