

Ode To Chin  
Switchfoot

\*These are probably way off, but hey, why not try, right? :)

**E** **C**  
What s your direction?  
**E** **C**  
Tell me what s wrong  
**C** **D**  
Tell me what s right  
**D** **E**  
What s your direction?  
**E** **C** **D**  
Think about somebody else for the night  
**D** **E**  
Life s more than girls  
**E** **C**  
God s more than words  
**C** **D**  
You re more than this  
**D** **E**  
So what s your direction?  
**E** **C**  
And where are you now?

Chorus

**E** **A**  
Grow, grow where you are  
**B** **E**  
Anchor your roots underneath  
**E**  
Doubt your doubts

**A** **B** **E**  
(one strum) And Believe your beliefs

**E** **C**  
What s your direction?  
**E** **C**  
What matters most

**C**                      **D**

Is what you do now

**D**                      **E**

What s your direction?

...well, you basically repeat everything for every stanza. whooo.
