Dominoes
Syd Barrett

Bb7
It s an idea, someday
in my tears, my dreams
C#
don t you want to see her proof?
Ebm
Life that comes of no harm
Ebm
you and I, you and I and dominoes, the day goes by...

Bb7
You and I in place
wasting time on dominoes
C#
a day so dark, so warm
life that comes of no harm
Ebm
you and I and dominoes, time goes by...

Bb7
Fireworks and heat, someday
hold a shell, a stick or play
C#
overheard a lark today
losing when my mind s astray
Ebm
don t you want to know with your pretty hair
Ebm
stretch your hand, glad feel,
in an echo for your way.
