

I Never Lied To You
Syd Barrett

A **G** **A**
There will be shoulders pressing in the hall
G **A**
and I won t know if you re here at all

G **A**
there will be wine and drinking in the yard
G **A**
there won t be anybody very hard
G **A**
there will be lots of things that we can do

G
and all and more will be for you
F# **A**
everything I knew I tried with you
F# **E**
but everything to you was never easy
A
so I went ahead around my world

I saw the things you do arriving by your side
to see you looking too

A7 **E**
but I know this. I know, I never lied to you
G **F**
it s been just like you re gone

A **G** **F#**
for just one day for so long

F **F#** **G** **D**
It s been so hard to bear with you not there

E
but thought I think of you, the things you do

when I m with you, to be with you,

to be alone...can only think

A
Why I am here? What s meant to be?
