

I Never Lied To You
Syd Barrett

A **G** **A**
There will be shoulders pressing in the hall
 G **A**
and I won't know if you're here at all

G **A**
there will be wine and drinking in the yard
 G **A**
there won't be anybody very hard
 G **A**
there will be lots of things that we can do

G
and all and more will be for you
F# **A**
everything I knew I tried with you
 F# **E**
but everything to you was never easy
 A
so I went ahead around my world

I saw the things you do arriving by your side

to see you looking too

A7 **E**
but I know this. I know, I never lied to you
 G **F**
it's been just like you're gone
 A **G** **F#**
for just one day for so long
 F **F#** **G** **D**
It's been so hard to bear with you not there
 E
but thought I think of you, the things you do

when I'm with you, to be with you,

to be alone...can only think

A
Why I am here? What's meant to be?
