

I Never Lied To You
Syd Barrett

Bb **G#** **Bb**
There will be shoulders pressing in the hall
 G# **Bb**
and I won't know if you're here at all

G# **Bb**
there will be wine and drinking in the yard
 G# **Bb**
there won't be anybody very hard
 G# **Bb**
there will be lots of things that we can do

G#
and all and more will be for you
G **Bb**
everything I knew I tried with you
 G **F**
but everything to you was never easy
 Bb
so I went ahead around my world

I saw the things you do arriving by your side
to see you looking too

Bb7 **F**
but I know this. I know, I never lied to you
 G# **F#**
it's been just like you're gone

Bb **G#** **G**
for just one day for so long
 F# **G** **G#** **Eb**
It's been so hard to bear with you not there

F
but thought I think of you, the things you do

when I'm with you, to be with you,

to be alone...can only think

Bb
Why I am here? What's meant to be?
