

Milky Way
Syd Barrett

F#

What d you ever say today

C#

When you re in the milky way

E D

Oh tell me please

B

Just to give you a squeeze

Em G B

If i met you i told you what to do

Em G

Seems a while

A D G B C# B G# C#

Since i could smile the way you do...

F#

How many times, if i try, if i may,

C#

When you re in the milky way

B F# Em

Half of your time -beside me only atmosphere

G B G E

- the singular raised by heats and wet seems a while

A E G# B C# B G# C#

Since i could smile the way you do...

(**F# C# B F# Em G B G E A E G# B C# B G# C#**)

F#

What can anyone mean to you

C#

Standing in the milky way

B

Take life easy

F#

I mean so easy

Em

Why so empty...?

G B

I told you i can tell you

G E

What to do when i hold you

A E

And i tell you i love you

G# B C# B G# C#

I feel that i m way you do...

F#

Give a grasp of life today

C#

When you re in the milky way

B

F#

Oh, try to please!____knock on wood of the trees

Em

G

B

Glad you, mould you, mould you and hold you

G

E

Means five miles

A

E G#

B C# B C# C#7

And everyway for you...
