B

They even see me under call, we under all, we awful-awful, crawl

E

G

A

E

B

E

to hear my hour, come see me cry...

E

Just searching you even try, I can make you smile

E

G

if it s there will you go there too? when I live I die!

F

A

B

They even see me under call, we under all, we awful, awful, crawl

E

G

A

E

B

E

because of you, to see me be.

Solo over (E-extended) Verse

Repeat Verse 2

The last verse is mostly garbled....but you can pick out Tell me, Tell me, Tell me Yippee and also: Heavily Spaced. According to legend, this verse was originally meant to be understood, but when they f**ked it up in the studio, Syd liked it and kept it that way...(***)this is a quote from PSYCHO the Barrett Fan)
