I Might Float Syd Matters

Am

There is something in the weather coming

E G C F C

Е

It s the spring time floating on, upon the city I won t blow it but (won t blow it but)

Am E

I will leave this town by the weekend if you

G C

Buy me a ticket out to save my money for

F C I

the dark days (..money for the dark)

Am E G

I will travel through the seas until the summer voices of $oldsymbol{c}$

the fire noises of

F C E

the burning witches call me home

Am E G

And I will find the strength to give up all the things I m made up of $\boldsymbol{\alpha}$

the things I m made up of

F C I

the leaves are tied up on my arms

(Amegcfce)

Am E G

And I miss that comfort in being trusted by the king and the princess $\ensuremath{\mathbf{G}}$

the king and the princess

the king and the princess

the king and the princess

the lights and the flashes

Am G

I might float for a second through the shadows of my reason

Am G

For my own, my own on the rainbow above the ocean

ım (

I might float for a second through the shadows of my reason

\m

For my own, my own children on the rainbow above the ocean ${\bf Am}$

(There is something in the weather coming.

G

It s the spring time floating on upon the city..)

Am

G

I might float for a second through the shadows of my reason \$Am\$

For my own, my own children on the rainbow above the ocean
