

Im Gonna Fly
Sydney Forest

intro

E A

E **A**
One day, the whole world looks like an open page

E **A**
and you ve been dancing as fast as you can with a smile on your face

C#5
and then the earth and the sky they all fit together

A **B**
and carry me away as light as a feather

C#5
chase the clouds from the ground

A **B**
in the big blue sky dont wanna watch it all blow by

E
so im gonna fly

A
higher than i ever could

E
feel the wind blow through my hair

A
feel the sun dance with the moon

C#5
and my feet cant stay on the ground any longer

A **B**
with every leap of faith I feel a little stronger

C#5
wanna swing from a star in the big blue sky

A **B**
dont wanna watch it all go by

D

so im gonna fly

C#5

A

B

and see for myself what it looks like from up there

D

C#5

A

B

taste the stardust in my mouth chase the clouds until they disappear

C#5

and my feet cant stay on the ground any longer

A

B

with every leap of faith I feel a little stronger

C#5

wanna swing from a star in the big blue sky

A

B

dont wanna watch it all go by

E

so im gonna fly

A

E

A

E

fly... fly... fly.. fly...

A

E

higher than ever ever could

A

im gonna fly

E

im gonna fly

A

E

higher than i ever ever could
