Sweet Nothing
Sylva
[Intro]
G Em G Em D
[Verse 1]
C D G
Long hot days in the shade of some big old tree
Making daisy chains and watching all the honey bees
          Εm
                        C
                             D G
Endless nights underneath starry skies
Everyday is summer when you spend it here with me
[Interlude]
Em C D G
[Chorus]
                                  Em D
                D G
And so I ll call you up whenever I m feeling down
            D Em
Cos it feels so good just to have you around
            D
                 G
                              Em
And you might not be the richest boy in this town
          D G C
But it feels so good just to have you around
       C
            D G C
Yeah it feels so good just to have you around
[Verse 2]
            G
                         Em D
Now yesterday is all but a distant dream
And tomorrow hasn t happened yet so let s just wait and see
Because we re here right now and that s all I ll ever need anyhow
Being in the present with you Lord I m so free
[Chorus]
             D G
And I ll call you up whenever I m feeling down
       C D Em
                                                 D
```

â€~Cos it feels so good just to have you around
