## Snowflake Sylvan Rackham SNOWFLAKE - Sylvan Capo 1st fret Into G D Am C Im not saying stop I m just saying go Just pick up your feet and don t be slow Em Cos without you I d be a like a snowflake in the snow Surrounded by people I don t know C G D Em Man you dug into my heart Am Buried yourself and I can t even start To say how much I wanna keep you there And never let you go G D Am C Give me a ring And we ll just sing and sing G Until the night is gone And you re laying by my side With no worries or cares

C G D Em

Man you dug into my heart

Am Buried yourself and I can t even start To say how much I wanna keep you there And never let you go G D Am C Sometimes you leave and just want to go And I m like doesn t she know That I love her more than anyone can show Am And if she disappears I d be all on my own C G D Em Man you dug into my heart Buried yourself and I can t even start To say how much I wanna keep you there And never let you go Am Just don t leave C And I ll be there All ways next to you Yes I ll be there Am Lying next to you
