Bm **Bm/A** **G**
 In the quietness of his silent walls
Bm **Bm/A** **Em(7)**
 Frail and sunken drops her pages down

 While the sorrow like a moral guilt falls due
Bm **Bm/A** **Em(7)**
 He released her, but he ll mourn for sure
Bm **Bm/A** **G**
 In the deepness of this apathetic dream
Bm **Bm/A** **Em(7)**
 How to notice, also his world turned
Bm **Bm/A** **G**
 As the places that once told her life do wane
Bm **Bm/A** **Em(7)**
 Darkened spaces, only dust remains...

 Lost and forgotten at the dawn of the night

 We failed to notice to show her we tried
