Intro

Bm G Bm G

VERSE 1

Bm G
I gave you truth - you gave me nothing
Bm G
I broke and you - took advantage of it
Bm G
I wrote the lines - you never read them with me
A F#
Just spoke inside insidiously

VERSE 2

Bm G
I knew my fortune but believed my lies
Bm G
A million reasons just to prove me right
Bm G
I built it with you but without a doubt
A F#
You where never with me, now I found it out...

CHORUS

G A Bm
I signed my life away
G A Bm
And spilled the ink of trust I should have saved
G A Bm

I offered all my tears I used to hide

G A Bm

To blur the lines of truth I kept inside
