Letra:

Making two possibilities a reality,
 Predicting the future of things we all know,
 Fighting off the diseased programming
 Of centuries, centuries, centuries, centuries.

Science fails to recognize the single most
 Potent element of human existence
 letting the reigns go to the unfolding
 Is faith, faith, faith, faith.

Science has failed our world
 Science has failed our Mother Earth.

Science fails to recognize the single most
 Potent element of human existence

letting the reigns go to the unfolding
Is faith, faith, faith, faith.

Science has failed our world
Science has failed our Mother Earth.

Spirit-moves-through-all-things
Spirit-moves-through-all-things,
Spirit-moves-through-all-things
Spirit-moves-through-all-things
Spirit-moves-through-all-things
Spirit-moves-through-all-things.
