THE END

Letra:

Education, fornication, in you are, Go,
Education, subjugation, now you re out, Go,
Education, fornication, in you are, Go,
Don t be late for school again boy

I think me, I want life,
I think me, I want a house and a wife,
I want to shimmy- shimmy- shimmy through the break of dawn, yeah.

Education, fornication, in you are, Go,
Education, subjugation, now you re out, Go,
Education, fornication, in you are, Go,
Don t be late for school again girl

I think me, I want life,
I think me, I want a house and a wife,
I want to shimmy- shimmy- shimmy through the break of dawn, yeah.
I think me, I want life,
I think me, I want a house and a wife,
I want to shimmy- shimmy- shimmy through the break of dawn, yeah.

Indoctrination, of a nation,
Indoctrination of a nation,
Subjugation of damnation,
Subjugation of damna?

Don t be late for school again boy,
Don t be late for school again girl,
Don t be late for school again boy,
Don t be late for school again girl.
