Letra:

Tell the people,
Tell the people that arrive,
Tell the people,
Tell the people that arrive,
We don t need to multiply,
We don t need to multiply,
We don t need to multiply,
We don t need to multiply,
Die.

Show your people
Show your people how we died
Show your people
Show your people how we died,
We don t need to nullify,
We don t need to nullify,
We don t need to nullify,
We don t need to nullify
No need to nullify,
No need to nullify,
No need to nullify,
We don t need to nullify
Die.

We don t need to,
We don t need to,
We don t need to,
We don t need to.

Ask your people,
Ask your people what is right,
Ask your people,
Ask your people what is right,
We don t need to multiply,
We don t need to multiply,
We don t need to multiply,
We don t need to multiply,
No need to multiply,
No need to multiply,
No need to multiply,
We don t need to multiply.
