But you will still always be Daddy s little angel

It seems like yesterday, Has come and gone so fast
Now my baby s all grown up, But the memories will last
It s hard to say goodbye, When you ve always been so near
But for now I ll hold you tight, Like those times that I hold dear

As we dance I keep our love deep within my heart
And thank God for giving me this angel in my arms

You re my little angel, So baby don t you cry
It s time to spread your wings and fly
If there s one thing this father knows, The hardest part is letting go
But you will still always be Daddy s little angel
