Money make the world go round!
Got me living life fast, just like that
It could all end right now.

Cause this is how it feels when you find yourself
Kinda like a diamond you mind yourself
Mind over matter, time donâ€™t matter
Remember to remind yourself!

When they carry me home, when Iâ€™m gone
Still be seen a million years after

Iâ€™mma live it up in the air
Thinking aboutâ€¦ that will change my life
Never said life was fair
So the â€¦ ..keep it up when it all falls down
..keep it up when it all falls down
Cause this is how it feels when you find yourself
Kinda like a diamond you mind yourself
Mind over matter, time donâ€™t matter
Remember to remind yourself!
