

Ballrooms Of Mars

T. Rex

T-rex-Ballrooms of Mars

This is my first tab so i hope it goes ok

The A flat chord is shown below, im sure thats it and i didnt tab the solo but what i

have tabbed includes all the notes used, just improvise it.

A flat with flat 5th

```
e-----|
B--2-----|
G--2-----|
D--0-----|
A-----|
E-----|
```

```

                C    C/b
You gonna look fine

                A          A flat/flat 5th
Be primed for dancing

                C          C/b
You re gonna trip and glide
    C/b          G
All on the trembling plane

                C          C/b
Your diamond hands

                A          D7
Will be stacked with roses
    C
And wind and cars

                G          C
And people of the past

                C    C/b
I ll call you thing

                A          A flat/flat 5th
Just when the moon sings

                C          C/b
And place your face in stone

                G
Upon the hill of stars

                C    C/b
And gripped in the arms

                A          D7
Of the changeless madman
    C
We ll dance our lives away
    G          C
```

In the Ballrooms of Mars

 C C/b
You talk about day

 A A flat/flat 5th
I m talking bout night time

 C C/b
When the monsters call out

 G
The names of men

 C C/b
Bob Dylan knows

 A D7
And I bet Alan Freed did

 C C
There are things in night

 G C
That are better not to behold

 C C/b
You dance

 A A flat/flat 5th
With your lizard leather boots on

 C
And pull the strings

 C/b G
That change the faces of men

 C C/b
You diamond browed hag

 A D7
You re a gutter-gaunt gangster

 C G
John Lennon knows your name

 C
And I ve seen his
