Oh girl I m just a jeepster for your love

Lyrics (as I hear them):

You re so sweet, You re so fine  
I want you all and everything jit-jit (?) to be mine  
Cause you re my babe, cause you re my love  
Oh girl I m just a jeepster for your love

You slide so good with bones (?) so fair  
You ve got the universe reclining in your hair  
Cause you re my baby, yes you re my love  
Oh girl I m just a jeepster for your love

Just like a car you re pleasing to behold  
I ll car you Jaguar if I may be so bold  
Yes you re my baby, yes you re my love  
Oh girl I m just a jeepster for your love

Your wild wings glow upon your frozen cheeks  
The way you flip your head (?) it always makes me weak  
Cause you re my baby, yes you re my love  
Oh girl I m just a jeepster for your love

Your motivation is so sweet  
Your vibrations are burning out my feet  
Cause you re my baby, yes you re my love  
Oh girl I m just a jeepster for your love  
I said girl i m just a vampire for your love  
    And I m gonna suck you

Notes: Marc Bolan occasionally plays A rather than A7 in the main riff. He also sometimes uses Dsus4 in combination with the D in the I m your babe... part.

The version on Electric Warrior is in standard tuning. The version in the Born to Boogie film is a half step higher.
