D7M
O yes we are.

Ain t no neighbours, upon our hill,
Crept slight thigh Be-bop and old gumbo jill,
But I m, Left Hand Luke and the begger boys,
O yes we are.

Ain t nobody s some-one,
And it hurts deep inside,
Just call us taxi mama and we ll take you for a ride,
Cos we re, Left Hand Luke and the begger boys.
O yes we are.

Left hand luke and the begger boys,
O yes we are.

Myxomatosis is an animal s disease,
But I got so shook up mama that it ate away my knees,

And I m Left Hand Luke and the begger boys,
O yes we are.

Ain t had no money lord, but it s plain to see,
If you had some silver mister how much would you pay for me?
Cos I m, Left Hand Luke and the begger boys,
O yes we are.

No way you re gonna fool me baby
