

**My Little Baby**

**T. Rex**

C G D  
Where did you go my little baby

C G D  
Where did you go my little baby

C G D  
Where did you go my little baby

C Em  
From here, from here

C G D  
Walking down the streets like a mad hatter

C G D  
Lunacy s back but does it really matter

C G D C  
Em  
Watch out my man, my lady s coming back to me, to me

C D  
If your sting was like a bee

C Em  
Would you die only for me

C D  
If you go across the sea

C Em  
Would you come back to me

C G D  
Deception dissolves like a mind rainbow

C G D  
Sunset was dumped dark inside my bedroom

C G D C  
Em  
Barracuda blue, won t you give my baby to me, to me

C D  
If you go across the sea

C Em  
Would you come back to me

C D  
If your sting was like a bee

C Em  
Would you die only for me

C G D  
Where did you go my little baby
