Shy Boy
T. Rex
   Intro: G
Verse: 1
                      Am
I don t want to be no shy boy, the one that always cries boy
And never gets his girl, don t you understand that
                      Αm
I ve got to have that girl boy, to be my pride and joy boy
                                   G Am
To hold her hand in this magic land
Verse: 2
                   Αm
I know that I m a young boy, a kind of unsung boy
Not a man of the world, but baby you know that
Love is a wonderful thing, girl, turns a prince into a king, girl
Don t you understand
Bridge
             Am
And when I m all alone, I wait for the telephone to ring
Verse: 3
                      Αm
I don t want to be no shy boy, the one that always cries boy
And never gets his girl, don t you understand that
                      Αm
I ve got to have that girl boy, to be my pride and joy boy
To hold her hand in this magic land
Outro
                  Αm
I know that I m a young boy, a kind of unsung boy
