

Till Dawn

T. Rex

G **Em**
golden eyes on a sunset lawn,
C **D**
make me feel so glad to be born,
G **Em**
broken pages on the edge of night,
C **D**
make me want to squeeze you tight
G **Em** **C** **D**
till dawn, till dawn, till dawn, till dawn

G **Em**
heat will fly on a sky of gold,
C **D**
rivers flow like diamonds, oh
G **Em**
fleeting angel girl I need you now
C **D**
locked around me like a burning house

G **Em** **C** **D**
till dawn, till dawn, till dawn, till dawn
