

**And Around**  
**Tabithas Secret**

**G**  
You said adjust your heels girl, they stick out like an anchor

**C**  
Don t touch the flowers, cuz you can t hear them well

**G**  
Couldn t last forever, lord ya know it s gonna end sometime

**C**  
This is not an order, you don t have to be here

**Am** **D**  
Can you understand me, screamin like the wind blows

**C**  
Did I blow your mind, leave you breathless

**G**  
I guess I ve changed but yeah couldn t you

**C**  
Given all we ve been through

**D** **C** **G**  
Heaven knows I ve been around and around

VERSE 2 (same as the frist verse):

Eighty six the candles, I m scared of the bright lights  
Girl, try not to touch me, so you don t feel me  
Or you can touch my shoulder, put your lips to my ears and scream  
Is there anyone home, won t you answer me

CHORUS:

**G**  
I guess I ve changed but yeah couldn t you

**C**  
Given all we ve been through well

**D** **C** **G**  
Heaven knows I ve been around and around

**G**  
I guess I ve strained well how bout that

**C**  
Here s my life, here s a doorstep

**D** **C** **G**  
Heaven knows I ve been around and around

BRIDGE:

**G** **C**  
I guess it s been a good year, for roses and aggressions, for flowers and  
**G**  
freeways

**C**

**G**

I guess I ll put a smile on, or get a new girlfriend, ya put a new hat on

**C**

This is not an order, you don t have to answer

**Am**

**D**

Only need to listen, if only for a moment

**C**

Did I blow your mind girl, did I leave you breathless, I said

Repeat Chorus

Great song, easy to play, here ya go. E-mail [datklaw@maine.rr.com](mailto:datklaw@maine.rr.com) with
