

Cheek To Cheek
Taco

Written by Irving Berlin, as performed by Taco Ockerse. This is probably a pretty simplified version. For the most part, it seems to fit Fred Astaire's recording as well (specifically, the recording found on Astaire's Dancing Cheek to Cheek collection).

Though, for adapting this to any of the other numerous versions of Cheek to Cheek, bear in mind that

Taco's rendition is performed in C, and modulates to D.
