

**A Love From Outer Space**  
**Tahiti 80**

TAHITI 80- A LOVE FROM OUTER SPACE  
By JoFFraY- "Disco rock"  
(One of my favourite's songs)

**Fm7**: xx3210

**Dm**: xx0231

**Am**: 002210

**Em**: 022000

**C**: x32010

**A#**: x133211

**Fm7**                      **Am**                                      **Dm**                                      **Em**

She loves me she loves me she loves me  
(idem)

A love from outer space

She loves me she loves me she loves me

A love from outer space

She loves me she loves me she loves me

A love from outer space

A love from outer space

It s true oh

**C**  
I know where she s coming from

**C**  
Space is where we both belong

**A#**  
Got to tell her in this song

**Am**  
This time nothing can go wrong (X2)

**Am**  
Take a ticket to ride the space express

**Am**  
Meet the girl in the starstruck dress

**Dm**  
She trusts me more than I can never guess

**Em**

I just couldn't wait for her caress

**Am**

She comes from the milky way

**Am**

She came to earth for my birthday

**Dm**

We worked out hard to communicate

**Em**

She said I am not a fake

**Fm7**

**Am**

**Dm**

**Em**

Shalalalalalala hoo (X4)
