Break Your Heart
Taio Cruz

I Used power chords to play through out the whole song..
It just basically runs along.. listening while playing will make u get it
better..

Intro: **C Bb G#m**
Woah Woah

Verse 1:
```
            C Bb G#m
```
Now listen to me baby
```
                   C Bb G#m
```
Before i love and leave you
```
                 C Bb G#m
```
They call me heart breaker
```
                 C Bb G#m
```
I don t wanna decieve you

Bridge:
```
        Eb    C   G#m
```
If you fall for me
```
          Eb    C    G#m
```
I m not easy to please
```
      Eb    C   G#m
```
I mma tear you apart
```
         C                     G#m
```
Told you from the start, baby from the start.

Chorus:
```
              C                Bb              G#m
```
I m only gonna break break ya break break ya heart. (x4)

Verse 2:
```
                    C Bb G#m
```
Theres not point trying to hide it
```
                   C Bb G#m
```
No point trying to evade it
```
                 C Bb G#m
```
I know I got a problem
```
                   C Bb G#m
```
Problem with misbehavior

Bridge:

```
         Eb    C   G#m
If you fall for me
            Eb    C    G#m
I m not easy to please
        Eb    C   G#m
I mma tear you apart
           C                        G#m
Told you from the start, baby from the start.

Chorus:
                   C                Bb             G#m
I m only gonna break break ya break break ya heart. (x4)

Verse 3:
C           C      C    G#m         Bb          Eb
And I know karma s gonna get me back for being so cold
C           C      C    G#m         Bb          Eb
Like a big bad wolf I m born to be bad and bad to the bone
C           C      C      G#m     Bb        Eb
If you fall for me I m only gonna tear you apart
C                 Bb
Told ya from the start.

Chorus:
                   C                Bb             G#m
I m only gonna break break ya break break ya heart. (x4)

Woah woah woah [x4]
