Song: Altars

G D C D
Can you feel the silent cries of a soul in need

G D C
D
Underneath the city lights, there s altars in the street

G D C
D
Through the walls I hear the sound of America s plee

G D C
D
Looking for salvation from the altars in the street

G D C D
Looking for salvation from the altars in the street

Am Em C G
D
And it s so sad, people drifting away on a concreat slay

Am Em C G D
It s to bad, fate arrivse

It s to bad, fate arrivse

G D C D
Burn, won t you burn in me

G D
Eternal flame won t you light my way

C D
Burn in me

G D C
D
If God is grace then bless the child who slept alone tonight

G D C D
Set him free, free to fly

Set him free, free to fly

Am Em C G
D
Cause it s so sad, people waisting away in such a suddle dismay

Am C G D
It s to bad, Satan arrivse

It s to bad, Satan arrivse

G D C D
So, burn, won t you burn in me

G D
Oh, eternal flame won t you light my way

C D
Burn in me x2

G **D**
Do you fight still you loose

C

Everything you once held onto

And I know, ya, I know

	C	D
Sometimes you hurt
