Verse

```

      A      D      A      G5      F5
Your standing right behind me, I feel you breathing down my neck
      D      E5      A      D      A
I try to catch you, But your gone. You whisper the words that draw me
      G5      F5      D      E5
Into your web of influence your sweet illusions like a song.

```

Pre-chorus

```

      D5      G5
You say my name
      E5D5 C5      A5      F5
Like im the only game in this town
      D5      A5
But just the same
      D5      C5      A5 G5 E
you Know you gotta stop hagin around.

```

Chorus

```

      A5      F5
Cause im carried away
      A5      F5
A full on freak display
      A5
Iv got so much to say
      G5      E
and your never gonna get my crown
      G5      E
No your never gonna shut me down Cause im carried away

```
