

Another Crack In My Heart Take That

Hi, there!

I've searched for these chords everywhere and couldn't find them,
so I figured them out myself, because it's such a great song.
It's the first time I do this. So, please let me know if it's alright!

Take That - Another Crack in my Heart

Am: 577555
Dm7: XX0565
G7sus4: 353533
G: 355433

Am **Dm7**
I am just one man
G7sus4 **G**
with just one pair of eyes
Am **Dm7**
I dress in normal clothes
G7sus4 **G**
and I don't try to disguise
Am **Dm7**
I'm looking out for love
G7sus4 **G**
however it may seem
Am **Dm7**
I never do return
G7sus4 **G**
in the always winning team

Am **Dm7** **G7sus4** **G**
Maybe I should try to live alone
Am **Dm7** **G7sus4** **G**
or raise the flag of mercy to unknown
Am **Dm7** **G7sus4** **G**
or maybe I should run and hide away
Am **Dm7** **G7sus4** **G**
until another day

Am **Dm7**
Another crack in my heart
G7sus4 **G**
another picture on the wall
Am **Dm7**
another way to spend an evening
G7sus4 **G**
when there's no one there at all

Am **Dm7**
another kiss to say goodbye
G7sus4 **G**
another cross upon the chart
Am **Dm7**
another suitcase at the door
G7sus4 **G**
another crack in my heart
Am Dm7 G7sus4 G
in my heart mmh mmh

(continuing **Am - Dm7 - G7sus4 - G**)
I ve had my spills and thrills of love
and held it in my hand
I held on tight until it broke
and I crashed to the ground
love could not be on my side
it s clearer every day
that every time I reach for love
it always runs away

Maybe I should try to live alone
or raise the flag of mercy to unknown
or maybe I should run and hide away
until another day

Another crack in my heart
another picture on the wall
another way to spend an evening
when there s no one there at all
another kiss to say goodbye
another cross upon the chart
another suitcase at the door
another crack in my heart
in my heart oh-huh-oh

(Another picture on the wall)
(way to spend an evening)
(when there s no one there at all)
(kiss to say goodbye)
(cross upon the chart)
(suitcase at the door)
(another crack in my heart)

Another crack in my heart
another picture on the wall
another way to spend an evening
when there s no one there at all
another kiss to say goodbye
another cross upon the chart
another suitcase at the door
another crack in my heart
in my heart

(Another picture on the wall)
(way to spend an evening)
(when there s no one there at all)
another crack in my heart
(kiss to say goodbye)
(cross upon the chart)
(suitcase at the door)
(another crack in my heart)
