Hi! Some time back, I posted a request for the crds/tabs to this song by the  
for the moment.

```
e-----0-----|-----0-----|-----0-----  
B-----0-----0---|-----0-----0---|-----1-----1-----  
G---0---0---0---0---|---2---2---2---2---|---0---0---0---0-----  
D--2-----| -4-----| -2-----  
A-----|-----|-----  
E-----|-----|-----
```

```
e|-----0-----  
B|-----0-----0---  
G|---2---2---2---2-  
D|-4-----  
A|-----  
E|-----
```

I have only figured out some of the crds to the chorus part:  
Em (some-othercrd) then Am, and so on...

This is my first time tabbing, and also as I m a pretty green guitarist,  
I do hope I have not made any grave stupid mistakes.  
Any mistake/corrections, pls email to: \*  
Thanx!
