Everlasting
Take That

[Verse]
```
     C                    F
It started on a Friday night
           Dm
A million years ago
  Dm
When the world was cold
C                    F
We were lonely satellites
              Dm
With nowhere left to go
  Dm
When we settled, oh
```

[Pre-Chorus]
```
          F
Call it gravity
          Gm
Or is it history
             Dm
Where d it go?
                Dm
Where did you go?
```

[Verse]
```
     C                    F
It started on a Friday night
         Dm
We were learning life
           Dm
We were flyin  high
C                            F
Searchin  for the time of our lives
      Dm
Everywhere we go
           Dm
But never goin  home
```

[Pre-Chorus]
```
          F
And every tear we ever cried
           Gm
Keeps the rivers of our lives
        Dm                      Dm
```

Flowin back to me (Flowin back to me)
```
          F
```
And every thought we ever had
```
        Gm
```
Every word we ever said
```
            Dm
```
Is comin back to me

[Chorus]
```
Dm
```
And you know
```
C                             F
```
Baby when the lights go out
```
F
```
We ll be dancin
```
Am                            C
```
Even when the sky falls down
```
C
```
We ll be dancin
```
C                             F
```
Never runnin out of time
```
F
```
Everlasting
```
Am                  C
```
 Cause we re all stars
```
C
```
When we re dancin
```
C                             F
```
Baby when the lights go out
```
F
```
We ll be dancin
```
Am                            C
```
Even when the sky falls down
```
C
```
We ll be dancin
```
C                             F
```
Never runnin out of time
```
F
```
Everlasting
```
Am                  C
```
 Cause we re all stars
```
C
```
When we re dancin

[Verse]
```
C                             F
```
Drivin in a foreign town
```
            Dm
```
It throws me every time
```
          Dm
```
Tryin to read the signs

```
C                                   F
I wonder what you re thinkin  now
          Dm
When it s late at night
        Dm
Do you realize

[Pre-Chorus]
           F
That every song that made us cry
          Gm
Made the voices of our lives
          Dm                 Dm
Sing in harmony (Sing in harmony)
              F
And every thought we ever had
       Gm
Every word we ever said
            Dm
Is comin  back to me, oh-oh

[Chorus]
Dm
And you know
C                             F
Baby when the lights go out
F
We ll be dancin
Am                          C
Even when the sky falls down
C
We ll be dancin
C                             F
Never runnin  out of time
F
Everlasting
Am                   C
 Cause we re all stars
C
When we re dancin
C                             F
Baby when the lights go out
F
We ll be dancin
Am                          C
Even when the sky falls down
C
We ll be dancin
C                             F
Never runnin  out of time
F
```

Everlasting
Am   **C**
 Cause we re all stars
C
For one last night

[Bridge]
                Am
For all of time
            Gm
A hundred years
              F
A million more
                C
I m by your side
                  C
For one last night
                Am
For all of time
              Gm
A hundred years
              F
A million more
                C
I m by your side
                    C
So come on back to me, oh

[Final Chorus]
C   **F**
Baby when the lights go out
F
We ll be dancin
Am   **C**
Even when the sky falls down
C
We ll be dancin
C   **Am**
Never runnin out of time
F
Everlasting
Am   **C**
 Cause we re all stars
C
When we re dancin (For one last night)
C   **F**
Baby when the lights go out (For all of time)
Am   **C**
Even when the sky falls down (For one last night)
C   **F**
Never runnin out of time

F
Everlasting
Am   **C**
 Cause we re all stars
C
When we re dancin
