VERSE : (Like in the first)

Mirror, mirror on the wall

Who s the fairest of them all?

The Good, the Bad, the Ugly or the Beautiful

Because it s up hill and against the wind

With no-one there to let us in

Leave your thoughts and save yourself you fool

The daggers of science

Evolving into violence

We re not sure where the fallout blows

But we all know .

There ll be trouble when the kidz come out (come out)

There will be lots for them to talk about (about)

There ll be trouble when the kidz come out

When the kidz come out, when the kidz come out

When the kidz come out

Hey, hey, hey, hey, hey

What you looking at

Hey, hey, hey, hey

You want a bit of that

Hey, hey, hey, hey

There will be trouble when the kidz come out

When the kidz come out

Hey
