

**Never Forget
Take That**

Worked it out by ear, I think it s fine, the bridge might be a bit off:

Never Forget
Take That
Tabbed By: Guitarlizard

Guitar comes in a Verse 2, but you can use the same chords in the Intro and Verse 1.

[Intro]

We ve come so far and we ve reached so high
And we ve looked each day and night in the eye
And we re still so young and we hope for more

[Verse 1]

We ve come a long way
But we re not too sure where we ve been
We ve had success, we ve had good times
But remember this

[Verse 2]

A D F#m E A D
Been, on this path of life for so long
F#m E A D
Feel I ve walked a thousand miles
F#m E A D
Sometimes strolled hand in hand with love
F#m E
Everybody s been there

[Verse 3]

(same as verse 2)

With danger on my mind I would stand on the line of hope
And I knew I could make it
Once I knew the boundaries I looked into the clouds and saw
My face in the moonlight

[Bridge]

C#m7 D
Just then I realised what a fool I could be
C#m7 D
Just cause I look so high you don t have to see me

C#m7 **D**
Finding a paradise wasn't easy but still
C#m7 **D** **E**
There's a road going down the other side of this hill

[Chorus]

A D **F#m** **E**
Never forget where you're coming from
A D **F#m** **E**
Never pretend that it's all real
A D **F#m** **E** **A D**
Someday soon this will all be someone else's dream
F#m **E**
This will be someone else's dream

[Verse 4]
(same as above)

Safe from the arms of disappointment for so long
Feel each day we've come too far
Yet each day seems to make much more
Sure is good to be here

[Bridge]

I understand the meaning of I can't explain this feeling now
And it feels so unreal
At night I see the hand that reminds me of the stand that I made
The fact of reality

[Chorus/Outro]
(the same chords)

Never forget where you're coming from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more
But remember this

We're not invincible, we're not invincible, no
We're only people, we're only people
Hey we're not invincible, we're not invincible
So again I tell you

Never forget where you're coming from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Never, never forget where
Never pretend that it s all real
Someday soon this will all be someone else s dream
This will be someone else s dream

Never, everybody sing, oh baby
Never, no never, never forget for love
Someday, louder, louder, louder, louder loud

Never, everybody sing that song
Never, yeah louder, louder, loud now
Someday, come on, come on, everybody, everybody
Everybody, everybody, everybody

Never forget where you re coming from
Never pretend that it s all real
Someday soon this will all be someone else s dream
This will be someone else s dream

We ve come so far and we ve reached so high
And we ve looked each day and night in the eye
And we re still so young and we hope for more
