

**C#m7** **D**  
Finding a paradise wasn't easy but still  
**C#m7** **D** **E**  
There's a road going down the other side of this hill

[Chorus]

**A D** **F#m** **E**  
Never forget where you're coming from  
**A D** **F#m** **E**  
Never pretend that it's all real  
**A D** **F#m** **E** **A D**  
Someday soon this will all be someone else's dream  
**F#m** **E**  
This will be someone else's dream

[Verse 4]  
(same as above)

Safe from the arms of disappointment for so long  
Feel each day we've come too far  
Yet each day seems to make much more  
Sure it's good to be here

[Bridge]

I understand the meaning of I can't explain this feeling now  
And it feels so unreal  
At night I see the hand that reminds me of the stand that I made  
The fact of reality

[Chorus/Outro]  
(the same chords)

Never forget where you're coming from  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream

We've come so far and we've reached so high  
And we've looked each day and night in the eye  
And we're still so young and we hope for more  
But remember this

We're not invincible, we're not invincible, no  
We're only people, we're only people  
Hey we're not invincible, we're not invincible  
So again I tell you

Never forget where you're coming from  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream

Never, never forget where  
Never pretend that it s all real  
Someday soon this will all be someone else s dream  
This will be someone else s dream

Never, everybody sing, oh baby  
Never, no never, never forget for love  
Someday, louder, louder, louder, louder loud

Never, everybody sing that song  
Never, yeah louder, louder, loud now  
Someday, come on, come on, everybody, everybody  
Everybody, everybody, everybody

Never forget where you re coming from  
Never pretend that it s all real  
Someday soon this will all be someone else s dream  
This will be someone else s dream

We ve come so far and we ve reached so high  
And we ve looked each day and night in the eye  
And we re still so young and we hope for more
