

**Reach Out
Take That**

Band; Take That
Album; Beautiful World

Tabbed by; Tom Hassall
Date; 26th July 2008

Hey, this is my first tab and it s tabbed by ear so
I can t say it s 100% correct. but it sounds alright for an
Acoustic Version (: I worked this out in Eb as that is a good key
for me doing this song, but I tried it a couple of times with
my Capo on various frets and it works in all different keys..
You choose the Key depending on your range (:

Chords Used: This song uses the Chord progression E, Bm, C#m and A (:

Intro; **A Bm C#m** x2

Verse;

A **Bm**
If our arms were reaching out
C#m
If our words could only bridge the doubt
A **Bm** **C#m**
Will we lose this chance again?
A **Bm**
Strange roads with different signs
C#m
Don t even know where we divide
A **Bm** **F#m**
Are you my enemy or my friend?

Chorus:

E
Cause I don t know you
Bm
And you don t know me
