(Trails off Intro)**D** **A**
Show me, show me, show me how you do that trick

C **G/E**
The one that makes me scream she said

D **A**
The one that makes me laugh she said

C **G/E**
And threw her arms around my head

D **A**
Please show me how you do it

C **G/E**
And I promise you, I promise that

D **Am**
I ll run away with you

D **Am**
I ll run away with you

Intro x2

D **A**
Were spinning on that dizzy air

C **G**
I kissed your face and kissed your hair

D **A** **C** **G**
I dreamed of all the different ways I have to let her know

D **A**
I scream why are you so far away she said

C **G** **D** **Am**
Wont you ever know that I m in love with you

D **Am**
Yeah I m in love with you

C **G/E**
You soft and lonely

C **G/E**
You lost and only you

C **G/E**

The strangest angels

A **G/E**

Dancing in the deepest oceans

Am **G/E**

Existing in the world

D **Dsus2**

Your just like a dream

C **G/E** **G**

Your just like a dream

Intro

D **A**

Well daylight whipped me into shape

C **G/E**

I must have been asleep for days

D **A**

And moving lips can breath a name

C **G**

I opened up my eyes`

C **G**

And found myself alone alone alone

D **A**

Up on the |something|

C **G**

You stole the only girl I loved

D **A**

And drowned her deep inside of me

D **C**

You soft and lonely

D **G**

You lost and only you

D **A**

Your just like heaven

End on C
