

I d like to see you have your way.

G

I keep my grammar well rehearsed,

A

correct each stutter, every slur,

C

come on and have your way with me.

Verse 2

E

Now tell me that you re better,
and you rather just forget,

Em

that things have gone so far.

E

You tell me that you re better,
and you rather just forget,

G

that things have gone too far.

Intro Riff

Hey [x12]

Prechorus

G

You re all I see,

Em

sink into me.

G

Sharpen your teeth,

C

sink into me

Fmaj7 **C**

Sink into me (sink in, sink in)

Chorus

G

Well I d like to see our roles reversed,

A

to watch you hang on every word,

C

I d like to see you have your way.

G

I keep my grammar well rehearsed,

A

correct each stutter, every slur,

C

come on and have your way with me.

Come on and have your way with me.

E
I d like to be a note,
Em
the kind you could sing but don t because you re shy

E **Em**
That way I ll live inside your throat,

and hang from every word you spoke.

Pause.

(Hey, hey, hey.....)

Prechorus

G
You re all I see,
Em
sink into me.

G
Sharpen your teeth,

C
sink into me.

Fmaj7 **C**
Sink into me (sink in, sink in)

Chorus

G
I d like to see you have your way,

A
come on, have your way with me

C
(And hang from every word you spoke)

G
I d like to see you have your way
(Correct each stutter every slur)

A
Come on have your way with me,

C
sink into me.
