Whats It Feel Like To Be A Ghost
Taking Back Sunday

This is my third tab now, it s fairly accurate
If you find any problems, message me - cure fan

Intro:
(**F#m**) **F#** (**Bbm**) **Bb** (**F#m**) **F#** (**Bbm**) **Bb**
(**F#m**) **F#** (**Bbm**) **Bb** (**F#m**) **F#** (**Bbm**) **Bb**

F#   **A**
And then you said a little more about your dreams,
F#
Like it was my call (my call)
        A
If you would only listen
            F#   **A**
Bypassed everything and went straight for the neck
G
(I study)
We study

(up nightly)
                    C
Dragged you out into the streets
                F#
Before you buckled at your knees (buckled at your knees)

C   **F#**   **A**
What s it feel like to be a ghost?
F#m F#   **F#m F#**
(Well, louder now, louder now)
C   **F#**   **A**   **F#m F#**
So what s it feel like to be a ghost?   Ahh
C   **F#**   **A**
Are you up for, are you up for this?
C   **F#**   **A**
(Well, are you up for, are you up for..)
C   **F#**   **A**
Are you up for, are you up for this?
C   **F#**   **A**
(Well, are you up for, are you up for..)

F#   **A**
This is quick but not quite painless,
        F#
It sits perched on your arm.
            A

Tacky and irrelevant (So what?)
```
   F#                       A
```
A permanent reminder that, oh Christ
```
G
```
(I study)
We study

(up nightly)
```
            C
```
Dragged you out into the streets
```
            F#
```
Before you buckled at your knees (buckled)

```
C          F#                A
```
What s it feel like to be a ghost?
```
F#m F#            F#m F#
```
(Well, louder now, louder now)
```
C           F#               A          F#m F#
```
So what s it feel like to be a ghost?   Ahh
```
C           F#               A
```
Are you up for, are you up for this?
```
C            F#               A
```
(Well, are you up for, are you up for..)
```
C            F#               A
```
Are you up for, are you up for this?
```
C            F#               A
```
(Well, are you up for, are you up for..)

```
        Am7
```
I said so, look closely

There might be something you d like
```
            Am7
```
What was it like?

(oh and I...)
```
Am7
```
Looked so close, it s been months who knows if I,
```
              Am7
```
Will get this right.

(Oh and I..)
```
Am7
```
Look so closely, there might be something you d like
```
            Am7
```
What was it like?

Oh and I...

```
C            F#                A
```
What s it feel like to be a ghost?
```
F#m F#            F#m F#
```
(Well, louder now, louder now)

```
C              F#                    A              F#m F#
So what s it feel like to be a ghost?        Ahh
C              F#                    A
Are you up for, are you up for this?
C              F#                    A
(Well, are you up for, are you up for..)
C              F#                    A
Are you up for, are you up for this?
C              F#                    A
(Well, are you up for, are you up for..)
```
