E **A**
Gaze, I want to Gaze at You
E **A**
Soak, soak in all You do
E **A**
Sit so simply at Your feet
E **A**
Listen to Your voice so sweet
E **A**
And let time pass away as I simply praise

E **A**
Yahweh, my Lord I cry
E **A**
Jehovah Elohim, the Lord Most High
E **A**
And when my hands are raised, my knees, they fall
D **E**
As I simply praise, Jehovah

E **A**
Cry as I see Your blood stains
E **A**
Overwhelmed as I see Your pain
E **A**
And I ll dance, dance, dance because I am set free
E **A**
You are my conqueror, Jehovah Nissi
E **A**
So let time pass away as I simply praise

E **A**
Yahweh, my Lord I cry
E **A**
Jehovah Elohim, the Lord Most High
E **A**
And when my hands are raised, my knees, they fall
D **E**
As I simply praise, Jehovah

E **A**

Do I believe that You re my God

E **A**

That You re all I need, that you re all I need?

E **A**

Do I believe that You ll sit down

E **A**

And be crowned my king for eternity?

E **A**

Do I believe that You re my God

E **A**

That You re all I need, that you re all I need?

E **A**

Do I believe that You ll sit down

E **A**

And be crowned my king for eternity?

E **A**

Do I believe that You re my God

E **A**

That You re all I need, that you re all I need?

Do I believe that You ll sit down

E **A**

And be crowned my king for eternity?
