[Verse 1]

**C#m E B A**  
I live with the sound of violence

**C#m E B A**  
And fear is a part of my skin

**C#m E B**  
I try to believe in freedom

**A C#m E B A**  
But my tears do not dry under the sun

**F#m C#m**  
And if you wanna try, if you wanna try

**E B**  
To feel one day

**F#m E**  
How it feels to cry, how it feels to cry

**B A**  
And pray

[Chorus]

**C#m**  
I m looking out the window

**E B A**  
All I see is war, war, why

**C#m**  
Switch on the radio

**E B**  
All I hear is war, war, why

**F#m**  
But it s never too late

**C#m**  
Ain t no reasons to wait

**E** **B**  
Lord, can you hear me now

**F#m**

We could build a rainbow

**E** **B** **A**  
Just to go far, far, far, yeah.

[Verse 2]

**C#m** **E**  
Only time I m in pieces when I m in your arms

**B**

Sheltered from the harm

**A**

When they ring alarms

**C#m**  
Life s like a dice rollin

**E**

You re my lucky charm

**B**

When they spin the wheel

**A**

And our number s come

**C#m** **E** **B**  
Here s a message from the ravens

**A**

**C#m**

Every kingdom s for the takin

**E**

**B**

If we seek higher awakin

**A**

We can stop the Armageddon

**F#m**  
Look into my heart

**C#m**

Hard to say goodbye

**E**

**B**

To the sunny days

**F#m**  
We won t stand aside

**E**

Till the love arrive

**B**

**A**

Then we ll make our way

[Chorus]

**C#m**

I m looking out the window

**E** **B** **A**  
All I see is war, war, why

**C#m**

Switch on the radio

All I hear is war, war, why

But it s never too late

**C#m**

Ain t no reasons to wait

One drop with the kick drum
