

## Heaven

### Talking Heads

Verse:

**E**                      **F#m**                      **B**  
Everyone is trying to get to the bar  
                         **A**                                      **E**  
The name of the bar, the bar is called heaven  
   **F#m**                      **B**  
The band in heaven plays my favorite song  
   **A**                                      **E**  
They play it once again, they play it all night long

Refrão

**C#m**                      **Bm**                      **D**                      **A**  
Heaven is a place where nothing ever happens  
**C#m**                      **Bm**                      **D**                      **A**  
Heaven is a place where nothing ever happens

Verse:

There is a party, everyone is there  
Everyone will leave at exactly the same time  
It s hard to imagine that nothing at all  
Could be so exciting, could be so much fun

Repeat Chorus:

Verse:

When this kiss is over it will start again  
It will not be any different, it will be exactly the same  
It s hard to imagine that nothing at all  
could be so exciting, could be so much fun

Repeat Chorus
