

Perfect World
Talking Heads

Intro: **B F**

B
Well, I know what it is

F
But I don t know where it is
Where it is

B
Well, I know where it is

F
But I don t know what it looks like
What it looks like

B
Well, I know what it looks like,

F
But I don t know where she comes from

B
Well, I know where she comes from,

F
But I don t know what s her name.

Am B
(and she said) This is a perfect world

Am B
I m riding on an incline

Bm F
I m staring in your face

Bm C
You ll photograph mine

B F

B
And I ve been walking, talking

F
Believing the things that are true

B
And I ve been finding

F
The difference between right and wrong...good and bad

B
See me put things together

F
Put them back where they belong

B
Am I just like the others

F

Have I always been singing the same song

CHORUS

B

F **B**
Somebody said that it happens all over the world

F
I do believe that it s true

B (?)
And the sun s coming up

F
And we re doing all the things that we should

B **F** **F**
Doesn t everybody here believe in the things we do?

(And she said) CHORUS
