

The Deep End
Tall Heights

[Verse 1]

G
Gotta find, gotta find, gotta find my style

C
Get atop, get atop with the stop and smile

Em **C**
Say I ve got eyes for a lady lately

G
And I rise to the prize like on television

C **Em**
Cause I ve been using truth, dear

Give it 9 to the 5 for the river saving

C
I m changing not at all

[Chorus]

G **Em**

Try and change my

Em **C** **G**

Em
In a life, in a time I would hate to lose my cloud eye

C
Lady, lately

G
Do you know who knows?

C **Em**
It s not sunk if it floats

Em **C**
Proof in days that rain

Every day I please my appetite

[Chorus]

G **Em**
Oh no, it's sinking in

I'm the man with the plan when it comes to this so

G **Em**
Oh no, I'm sinking in the deep end

Em C
Try and change my
Em C **G**
Try and change my mind

[Bridge]

G
Hear the voice from the mom for the wayward child

C **Em**
But I've been living large

Nevermind, nevermind no one let the faucet run

Em C
Try and change my
Em C **G**
Try and change my mind

[Chorus]

G **Em**
Oh no, it's sinking in

I'm the man with the plan when it comes to this so

G **Em**
Oh no, I'm sinking in the deep end

I'm the man with the plan when it comes to this so

Em C **G**
Oh no, I'm sinking in the deep end

I'm the man with the plan when it comes to this so

Em C **G**
Oh no, I'm the man with the plan but it's come to this, oh
