

**The Hollow
Tall Heights**

The Hollow Chords by Tall Heights (<http://www.tallheights.com/>)
Transcribed by Nick Ver Voort

Intro: Arpeggiate open A chord

A **D**
I wanted to find a hollow
E **D** **A**
a place to fill the empty in my mind
A **D**
My silence had me caving inwards
E **D** **A**
and I longed for us to speak between the lines

Bm **D**
And when I d find that hollow
A **E**
I d leave every trace of it behind
A **D**
I d have known you d follow
E **D** **A**
but this hollow was for me alone to find
C# **D**
Or so I thought
C# **D**
Or so I thought, oh what a fool

[Chorus]

F#m
Oh what I was, oh what you are
D
these are the strangest times
E **A**
Has my young love faded out of sight?
F#m **D**
Oh where we were and where we are, they re not so far apart
E **A** **Bm** **A**
We ll set off for that hollow at first light, yeah we will, yeah we will

A **D**
At last we reached the hollow
E **D** **A**
we sink down in the moss upon the ground
A **D**
My compass had been helter skelter,
E **D** **A**
like a fly in a fish bowl buzzing round

Bm **D**
Your heart against my chest a-humming
A **E**
it sings your song of sorrow to me now
A **D**
But my songbird shall not wallow
E **D** **A**
drawn back to this secret we have found
C# **D**
And I hear the water rushing down below
C# **D**
it doesn't matter now, ooooooh

[Repeat Chorus]

[Cello solo over A and E]

[Repeat Chorus x2]

[Last line slower]

F#m **E**
Oh and we were, oh and we are
