

**Broken World**  
**Talleys**

**G**

Jenny s got more month than she s got money

**EM**

Works three jobs she s barely getting by

**C**

Bob got word his mom s been told it s cancer

**D**

So many questions and all of them ask why

**C**

We re living in a broken world

**G**

And a broken world won t give you any answers

**G**

Everything is upside down

Wrong is right and right is wrong

**G**

**D**

But not for long, no not for long

**G**

This broken world is cradled by a Savior

**EM**

And nothing here can take him by surprise

**C**

Someday all this hurting will be over

**D**

And every tears been wiped away and dried

**C**

**G**

But for now we re living in a broken world

**D**

**G**

But not for long. No, not for long

**G**

Mama spends her waking hour praying

**EM**

Her child s done gone left everything behind

**C**

Daddy s getting, his faith is fading

**D**

You can t get water from a well that s running dry

**C**

We re living in a broken world

**G**

And a broken world won t give you any answers

**C**

Everything is upside down

Wrong is right and right is wrong

**G** **D**

But not for long. No, not for long

**G**

This broken world is cradled by a Savior

**EM**

And nothing here can take him by surprise

**C**

Someday all this hurting will be over

**D**

And every tears been wiped away and dried.

**C**

**G**

But for now we re living in a broken world

**D**

**G**

But not for long. No, not for long

**C**

**G**

But for now we re living in a broken world

**D**

**G**

But not for long. No, not for long.
