VERSE 2 (repeat verse 1)

Sometimes you re my general, you quarterback all these plays  
Sometimes you re my enemy and Im throwin grenades  
We ll just be chillin and laughin, Im layin on your chest  
Don t know what happened cause things just went left  
But here we go back down that road  
Thats just the way that it goes  
Cause we made it this far on for better or worse  
I wanna feel it even if it hurts  
If I gotta cry to get to the other side, as long as you re there Ill survive oh

CHORUS

We stay on the front lines  
Yeah but we re still here after the bomb drops  
We go so hard we lose control  
The fire starts then we explode  
When the smoke clears we dry our tears  
Only in love and war

**Dm**                      **D**                      **Em**                      **A**
