This is my favorite Tamar Eisenman s song, enjoy.

G
Donâ€™t take away my sun
C   **Am**   (no chord)
   Take away take away what once I called home
G
Donâ€™t take away my light
C   **Am**   **G**
   Take away take away the brighter days I once knew
G
Donâ€™t take away my life
C   **Am**   **G**
   Take away take away my love Iâ€™ve never met
G   **C**
Donâ€™t take away my shining knight
                         Am   **G**
Take away take away my sight take away my tide

   C   **G**   **Am**   **D**
And all, all this time I thought, I could get away, I could get away
   C   **G**   **Am**   **D**
And all, all this time I thought, I could get away, I could get away

G
Donâ€™t take away my tries
C   **Am**   **G**
   Take away take away whatâ€™s left from all I ve wondered
G
Donâ€™t take away my sky
C   **Am**   **G**
   Take away the laughters I forgot all about

   C   **G**   **Am**   **D**
And all, all this time I thought, I could get away, I could get away
   C   **G**   **Am**   **D**
And all, all this time I thought, I could get away, I could get away

```
(solo - I think it s just A all over it)

G
Donâ€™t take away my trust
C
    Take away my heart
Am             G
    Take away my truth
               C
Take away the lies
                 Am                  G
Take away these eyes Iâ€™ve fallen into

    C                      G               Am              D
And all, all this time I thought, I could get away, I could get away
     C                     G               Am              D
And all, all this time I thought, I could get away, I could get away
                    C    G    Am    D
Without falling in love
                    C    G    Am    D
Without falling in love
                    C    G    Am    D
Without falling in love
                    C    G    Am              D
Without falling in love         I could get away
                    G
Without falling in love

G
Donâ€™t take away my sun
C                           Am              (no chord)
    Take away take away what once I called home
